You can read about this project of John's in more detail in the Appendix but it was this basic information which enabled him to show that in the past there must have been a lake, with whirlpools, in between Caerwent and Caldicot and that these whirlpools were "swallow holes" through which water flowed back and forth between the lake and an underground reservoir. Isolated by the storm, detective Hercule Poirot must find the killer among a dozen of the dead man's enemies, before the murderer decides to strike. Broadway revivals were mounted in, and The play's first film adaptation hit theaters in the

spring of Martha Scott, who made her Broadway debut originating the role of THE BORROWED WIFE: PART I Webb, reprised the part in this movie.
