Great Escapes

CAPERS weaves protagonist Avery Benjamin's internal and external conflicts into the lives of diverse supporting characters to depict a segment of American society driven by success. It was the first time anyone had ever used my adoption as an insult, and it would have been shocking and painful enough without the eyes, the broken singsong chant.

Christmas A Story(Annotated)

Unlike many other directors who inject metacinematic motifs in their work rather sporadically, Tornatore displays a serious and consistent elaboration of this theme throughout his filmography, so much so that it is not unreasonable to classify self-reflexivity as a defining characteristic of his signature style as an auteur.
