Spectral analysis of the EEG in meditation.

Urban Guru Comics: Zany-Zen Anthology

Helmich, W. With the arrival of the American Army in France, as more varied opportunities for participation in the war became available, many of the old Field Service volunteers sought service in other branches of the army, such as aviation, infantry, and the artillery, for which they felt themselves better qualified by individual endowment or previous training and experience.

International Conference on Differential Equations

A very good, well written album review.
