Shorter magazine version was titled Adaptation. They never seem to think we have any feelings to be hurt when we have to sit under their reiteration of orthodox cant and dogma. The storylines primarily take place in the DreamingMorpheus's realm, and the waking world, with occasional visits to other domains, such as HellFaerieAsgardand the domains of the other Endless. Rosina herself feels a strong inclination for the swain who is known to her only by the name of Lindoro. It is also important to note that science is a social enterprise, and scientific work will become accepted by the community only if it can be verified and it "makes sense" within existing scientific beliefs and assumptions about the world when new findings complicate these assumptions and beliefs, we generally witness paradigm shifts in science [1].
